

REMARKS

Claim 7 has been cancelled without prejudice in an effort to expedite issuance of a patent. Claims 1-7 have been amended to show the proper status identifier. Claims 1-6 are currently pending in this application. Responsive to the Notice of Non-Compliant Amendment, Applicant has painstakingly reviewed the list of claims to provide the claims correctly.

Applicant believes that all pending claims are allowable and a Notice of Allowance is respectfully requested. The amendment was made to expedite the prosecution of this application. Applicant respectfully traverses the rejections of the amended claims and reserves the right to re-introduce them and claims of an equivalent scope in a continuation application.

If the Examiner believes that a conference would be of value in expediting the prosecution of this application, he is cordially invited to telephone the undersigned counsel at the number set out below. Applicant requests that the Examiner advise Applicant's representative of any issues with the claims.

Respectfully submitted,
Perkins Coie LLP
